

# Cookie Notice

This is the Cookie Notice for Real Time Surveillance, a product created and owned by Quality Education Solutions LTD (“QES”), issued in accordance with the UK General Data Protection Regulation (UK GDPR).

Cookies are small text files placed on your device when you visit internet sites. Cookies can be used for things such as allowing a website to remember you, to store and honour your preferences and settings, or enabling you to sign in where relevant. Websites may use cookies for detecting what kind of device you have in order to present content in the best way, for a language switch and/or for other purposes. Cookies do not collect or store any personally identifiable information.

Real Time Surveillance uses a few different cookies to store data on your device;
